HOME OF THE BADGERS

Vision: A family-centred school built on a foundation of excellence, creating boundless learning opportunities.

Mission: Ensuring a culture of powerful learning and engaged thinkers.

Thank you for all of your support throughout this past school year. We are thankful for the opportunities we had to connect throughout the year. SCHOOL SUPPLIES 2025-26

As in previous years, the school has purchased school supplies in bulk from a local distributor at a per-student cost of \$40. Invoices will be distributed to families in September. There are, however, classroom-specific items that homeroom teachers request that families purchase, such as headphones and indoor shoes, for example.
